

The following is a brochure I proofread and fact-checked while working as an assistant in the Communications Department at WKSU.

YOUR SUPPORT COUNTS!

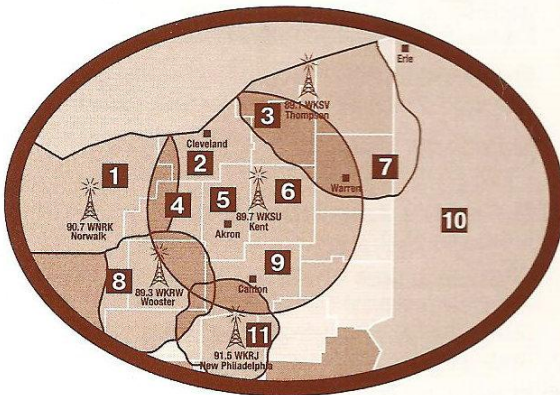

Membership gifts are just *one* way to support WKSU! Call 330-672-3114 to learn more about ways you can support WKSU, such as:

WKSU's Endowment Fund was established with a \$250,000 gift from The GAR Foundation and another \$570,000 from private gifts. You can ensure continued quality programming on WKSU by helping us reach the \$1 million mark!

Does your employer participate in a **matching gift program** that includes WKSU? Don't let those matching dollars go unclaimed!

Your **planned gift** to WKSU could mean tax savings for you...and a more secure future for 89.7. Call for free information booklets.

The Walton D. Clarke Founders Fund supports one Kent State University graduate student each academic year. That individual traditionally attends Kent State's School of Journalism and Mass Communication's graduate program while working at WKSU.

WKSU Member Benefits participants are located in the zones indicated above. Check the number listing beside each participant to determine the zone location.
